

# Academic division and European Child and Adolescent Psychiatry

Johannes Hebebrand

# Academic Division

- First online meeting with Milica and Manon aimed at identifying possible activities
- Preparation, launch and clarification of publication option for second ESCAP CovCAP survey
- Involvement in initiative of UEMS: UEMS-CAP European Training Network
- Involvement in preparation of ESCAP congress in Maastricht 2022
- Involvement in ESCAP online Training Day (June 25, 2020)
  - Involvement in ESCAP/EFPT/UEMS training day (June 24, 2020)

# European Child and Adolescent Psychiatry

- IF to be published within this month
- Restructuring of editorial board ongoing
- More interactions with authors at multiple levels
- High rate of Covid-19 related submissions (mean of  $\approx 2$ /week)
  - Most rejected due to poor quality
